put the direct nomination scheme of the "Senator McCarren is a strong party Y. M. C. A. out of commission at its man," said Chairman Edward P. Lyon Bedford branch last night. First, the afterward. "His talk wasn't brilliant,

Secretary, Halsey Hammond, who ha hands and declared it a logical and typi cal Y. M. C. A. talk. Mr. Hammond has been known to have voted for some Hit Direct Primaries.

first went into the building by asking to be shown all around. It looked like he spected the gymnasium, took a few wallops at the punching bag with his coma voting machine in

the hall and was asked to select fifteen of fifty prominent men

a candidate and the others omitted the Creator.

McCarren's sheer audacity in refusing to vote a Y. M. C. A. ballot and successfully turning the occasion into a veritable McCarren rally at which his well-known precept of machinery in politics was explained, but not particularly elucidated by himself, left clouds of gloom among Y. M. C. A. politicians who have advocated direct primaries so long. Even the eloquence of Senator Travis wasn't sufficient to win any substantial applause, and good Dr. Carson's powerful and religious talk couldn't overcome the impression which McCarren had made.

Members Dodge Speeches.

Some opposition to inviting McCarren was shown last week in the Y. M. C. A. councils, and possibly it was doubly marked last night. Instead of being in the hall listening to "recognized leaders." as Secretary Hammond called McCarren and Travis, the young prospects were playing billiards, bowling, reading in the library or debating on another floor. A bulk of the membership evidently had previous engagements.

Equally so, is probably the statement that the hall was filled with McCarren supporters who were on hand to shake hands and hobnob a bit. In fact, a reception was held in the Y. M. C. A. building after the meeting, attended by about three hundred, with Pat as centre of attraction and guest of honor.

Lieut. Becket and twenty-five policemen guarded the doors of the hall. No one knew why, as Y. M. C. A. nembers are usually quiet, that is Y. M. C. A. officials didn't exactly see the necessity of the policemen.

#### WOMAN FIRES CHURCHES.

Letters Written to Parishoner

CHICAGO, Dec. 19 .- The pyromaniae who last Thursday set fire to three churches in Englewood is believed by the police to be a woman. It is said she was arrested a year ago on a similar charge, was found to be demented and not prosecuted. Letters written then by her have been compared to two received by a woman member of one of the churches set after and the handthe letters were threatening.

#### STOLE \$4,000 IN JEWELS.

Fire Escape Burglar Robs House While Family Dines.

CHICAGO, Dec. 19 .- Jewels valued at \$4,000 have been stolen from apartments of Miss Florence Scott. The police tried suppress the news. Miss Scott was limbed a fire escape and forced a rear

#### hands, and then politely declared that he found it necessary to adhere to his policy of "lookin' 'em over" before deciding. Lest some misguided youth should go wrong. Pat took up cudgels for the present day system of parties and leaders, and explained at length how necessary he and his administrative skill are to home rule and the general wellbeing of Brooklyn. It can't be said that Mr. McCarren did not emerge with

all the honors.

In reality, two rival stump speeches

and a sermon were handed the crowd,

which numbered probably 1,000 persons

Pat's rivals were Senator Eugene M. Travis, a Republican leader, and the Rev. Dr. John F. Carson, of the Cen-

tral Presbyterian Church, who was slated to wipe out any schism or blasphemy which might creep into the inexperienced minds of the young Y. M.

C. A. voters after hearing the poli ticians. It was nicely arranged-Pat first, Travis next and the preacher last.

Pat Got the Applause.

Either the session was a tin-canned

Democratic mass meeting or the elongated Pat made a lot of Y. M. C. A. voters. Some one hinted that Pat had

packed the hall with his followers, but

this could not be verified except from

the storm of applause which chased

Pat isn't exactly a Y. M. C. A. mem-

ber, and, in fact, some say he seldon

darkens the doors of the association,

but he has only to send in his application to-day. He made a tremendous hit

when he denounced, in righteous and

strident voice, what he termed the one

man party tactics of President Roose-

veit and the late lamented candidate

Bryan, and he received little short of

an ovation when he posed, with marked

demureness, as the only living exponent

him all through his talk.

# Our Usual Christmas Sale Of PIANOS Taken in Exchange From Our Customers for New Pianos

## Sale Starts Next Monday Morning

There are probably thousands of homes, where a girl, a boy, a wife, or even a husband-being a lover of music, and ambitious to follow the artistic bent-is wishing that Christmas might bring a piano into their home. The question of cost keeps thousands from buying.

That is largely because they have never learned, and CANNOT REALIZE, how EASILY the purchase can be made by the WANAMAKER Method.

#### But Now Comes the GREATEST OPPORTUNITY OF ALL!

Three hundred and one instruments-some only a trifle used-some very much used-some having been out on rental-some never used at all, but being varnish-checked, or not in newest models-ALL RADICALLY REDUCED IN PRICE.

The event means a saving of fifty, a hundred, two hundred dollars. It means getting a piano of very much higher character than could be gotten in a new one for the same price.

And this LARGE SAVING is secured by TAKING ADVANTAGE of one of the NECESSARY and UNAVOIDABLE CONDITIONS of what those who know concede to be THE LARGEST RETAIL PIANO BUSINESS in the trade.

We MUST take the old piano when its owner comes to us for a new one. We MUST undertake the sale of many fine pianos, that come to us almost new, when the owners want to buy the Emerson-Angelus, on which ANYBODY can play ANY MUSIC desired.

Our REAL business is the selling of NEW instruments; that is why—when USED PIANOS accumulate so rapidly—that we offer such LOW PRICES and EASY TERMS, to get these HUNDREDS of instruments out of our warerooms. Every instrument has been THOROUGHLY OVERHAULED by our repair experts, and put in best possible condition.

The TERMS of sale have been MADE SPECIALLY EASY for the Christmas buyers:

### A CASH PAYMENT OF ONLY \$5

will secure delivery of many of these instruments; and higher-priced pianos for very little more. If EVER a Piano is to be bought, this occasion should be investigated, as EARLY AS POSSIBLE, ON MONDAY MORNING. The list of instruments and prices follows:
